

# FOOD HYGIENE CLEANING SUPPLIES

## HAND SCOOPS

- Medium size polypropylene hand scoop
- Designed to meet the needs of food-processing plants or other facilities where HACCP programs have been implemented
- Material: Polypropylene
- Capacity 46 US Fluid Ounces

Model No.	Mfg. No.	Colour	Price /Each
JH662	SCOOP3B	Blue	
JH663	SCOOP3G	Green	
JH664	SCOOP3R	Red	
JH665	SCOOP3O	Orange	
JH666	SCOOP3V	Violet	
JH667	SCOOP3W	White	
JH668	SCOOP3Y	Yellow	

## DUST PANS

- Designed to meet the needs of food-processing plants or other facilities where HACCP programs have been implemented
- May be autoclaved at 273F/134C
- Dimensions: Width:12", Depth: 6", Thickness: 0.125"
- Comfortable grip
- Reinforced lip
- Material: Plastic

Model No.	Mfg. No.	Colour	Price /Each
JH678	DP13BLK	Black	
JH679	DP13B	Blue	
JH680	DP13G	Green	
JH681	DP13R	Red	
JH682	DP13O	Orange	
JH683	DP13V	Violet	
JH684	DP13W	White	
JH685	DP13Y	Yellow	

## FOOD HYGIENE SQUEEGEES

- Oil resistant rubber but tests should be carried out prior to use in oily conditions
- Designed to meet the needs of food-processing plants or other facilities where HACCP programs have been implemented
- Durable and lightweight
- Seamless' over molded', easily cleaned construction
- Contains no metal
- May be autoclaved at 273F/134C
- Blade Length: 24"

Model No.	Mfg. No.	Colour	Price /Each
JH740	PLSB60BLK	Black	
JH749	PLSB60B	Blue	
JH750	PLSB60G	Green	
JH751	PLSB60R	Red	
JH752	PLSB60T	Tangerine	
JH753	PLSB60V	Violet	
JH754	PLSB60W	White	
JH755	PLSB60Y	Yellow	

## FOOD HYGIENE BUCKET LID

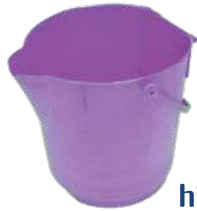

- Hinged high impact polypropylene lid
- Designed to meet the needs of food-processing plants or other facilities where HACCP programs have been implemented
- Material: Polypropylene

Model No.	Mfg. No.	Colour	Price /Each
JH756	DP13BLK	Black	
JH757	DP13B	Blue	
JH758	DP13G	Green	
JH759	DP13R	Red	
JH760	DP13O	Orange	
JH761	DP13V	Violet	
JH762	DP13W	White	
JH763	DP13Y	Yellow	

## FOOD HYGIENE BUCKETS

- Internal Liter/gallon graduations
- Base banded for durability and stability
- Comfortable countoured handle
- Designed to meet the needs of food-processing plants or other facilities where HACCP programs have been implemented
- Dimensions: 12 1/2" D x 11 1/2" H
- Material: Polypropylene
- Capacity: 3 US Gallon (12 Quart)

Model No.	Mfg. No.	Colour	Price /Each
JH741	MBK15BLK	Black	
JH742	MBK15B	Blue	
JH743	MBK15G	Green	
JH744	MBK15R	Red	
JH745	MBK15T	Tangerine	
JH746	MBK15V	Violet	
JH747	MBK15W	White	
JH748	MBK15Y	Yellow	

## FIBREGLASS HANDLES

- White fibreglass handle with european fine sealed thread prevent accumulation of moisture or bacteria, with durable 0.08" wall thickness
- Specially treated coating will not splinter or flake
- Fibreglass will not conduct cold or electricity and is ideal for cold storage facilities
- Designed to meet the needs of food-processing plants or other facilities where HACCP programs have been implemented

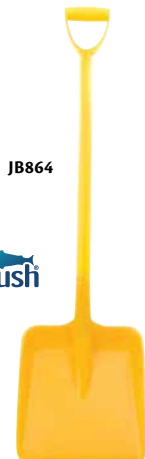

JB858

Model No.	Mfg. No.	Description	Length"	Price /Each
JB855	FGH2	White	55	
JB856	FGH2B	Blue	55	
JB857	FGH2G	Green	55	
JB858	FGH2R	Red	55	
JB859	FGH2Y	Yellow	55	

## ONE PIECE FOOD PROCESSING SHOVELS

- Extremely light and easy to handle, high impact polypropylene gives a smooth, hard and impermeable surface with shock and crack resistance
- Elastomers are structurally stable between the temperatures of -30°C to +80°C
- Made from virgin plastics and designed to come in contact with food
- Handle length: 41"
- Blade dimensions: 13" L x 12" W
- Designed to meet the needs of food-processing plants or other facilities where HACCP programs have been implemented

JB864

Model No.	Mfg. No.	Description	Price/Each
JB860	PSH6B	D-grip, blue	
JB861	PSH6G	D-grip, green	
JB862	PSH6R	D-grip, red	
JB863	PSH6W	D-grip, white	
JB864	PSH6Y	D-grip, yellow	

## ALUMINUM HANDLES

- Anodized aluminum handle with european fine thread seals out moisture or bacteria when fixed to a tool and is used only on food hygiene tools
- Colour coded handles for easy identification of task specific applications
- Coated ergonomic grip with integrated tool holder
- Sturdy 0.05" wall thickness
- Designed to meet the needs of food-processing plants or other facilities where HACCP programs have been implemented

JB852

Model No.	Mfg. No.	Description	Length"	Price /Each
JB845	ALH7	White	53	
JB846	ALH7B	Blue	53	
JB847	ALH7G	Green	53	
JB848	ALH7R	Red	53	
JB849	ALH7Y	Yellow	53	
JB850	ALH8	White	61	
JB851	ALH8B	Blue	61	
JB852	ALH8G	Green	61	
JB853	ALH8R	Red	61	
JB854	ALH8Y	Yellow	61
